PYRAMID

MULTIPURPOSE

X941 501 77

- Available in closed and open backs
- The open back allows the eye appeal of an inch and a half opening between the seat and back for ease of cleaning
- Available in a wide range of fabrics
- Limited Lifetime Warranty

X942 502 77

Quality and attention to detail is distinctively displayed in Chromcraft's Pyramid Series. Pyramid is a multipurpose chair.

Features:

- Generously proportioned seat and back
- Constructed of 13 gauge true oval tubing for strength and stability
- Arms are made of textured urethane over steel
- Back features comfortable angles and lumbar support
- Ergonomic design provides excellent support

X940 502 77

TABLES & CHAIRS

- Arrange the Pyramid Series to fit any space or to suit your own personal taste with a combination of arm, armless and left or right arm combinations along with connecting tables.
- Constructed of unique oval tubing with welded horizontal and lateral supports for ultimate strength and stability. Pyramid arm chairs are topped off with a durable urethane over steel arm for years of lasting service.
- Pyramid tables are of one and one-fourth inch thick high pressure laminated tops with durable T-mold edges and they are available in all Chromcraft standard laminate colors
