CHROMCRAFT CONTRACT

Trak series

CHROMCRAFT CONTRACT

Combining high tech design and comfort, Trak achieves the best of all seating. Trak chairs are available in four styles: high-back with a headrest, high-back without a headrest, mid-back task, plus a matching guest chair. Trak makes an innovative design statement, with its state of the art mesh back, and exoskeletal steel frame. Trak chairs deliver support and unequaled comfort with ten functional adjustments. With these custom adjustments, the end-user can always

height and width adjustable arms

find the perfect fit for any task. The cool mesh back promotes continuous air flow keeping the end-user comfortable.

The molded foam seat keeps the end-user properly supported for hours of use. The arms are adjustable for multiple positioning. Trak delivers comfort and value with optional fabrics, vinyls or leather available for the seat and headrest to blend or contrast with the black mesh back.
